DATOS

GRAFICOS

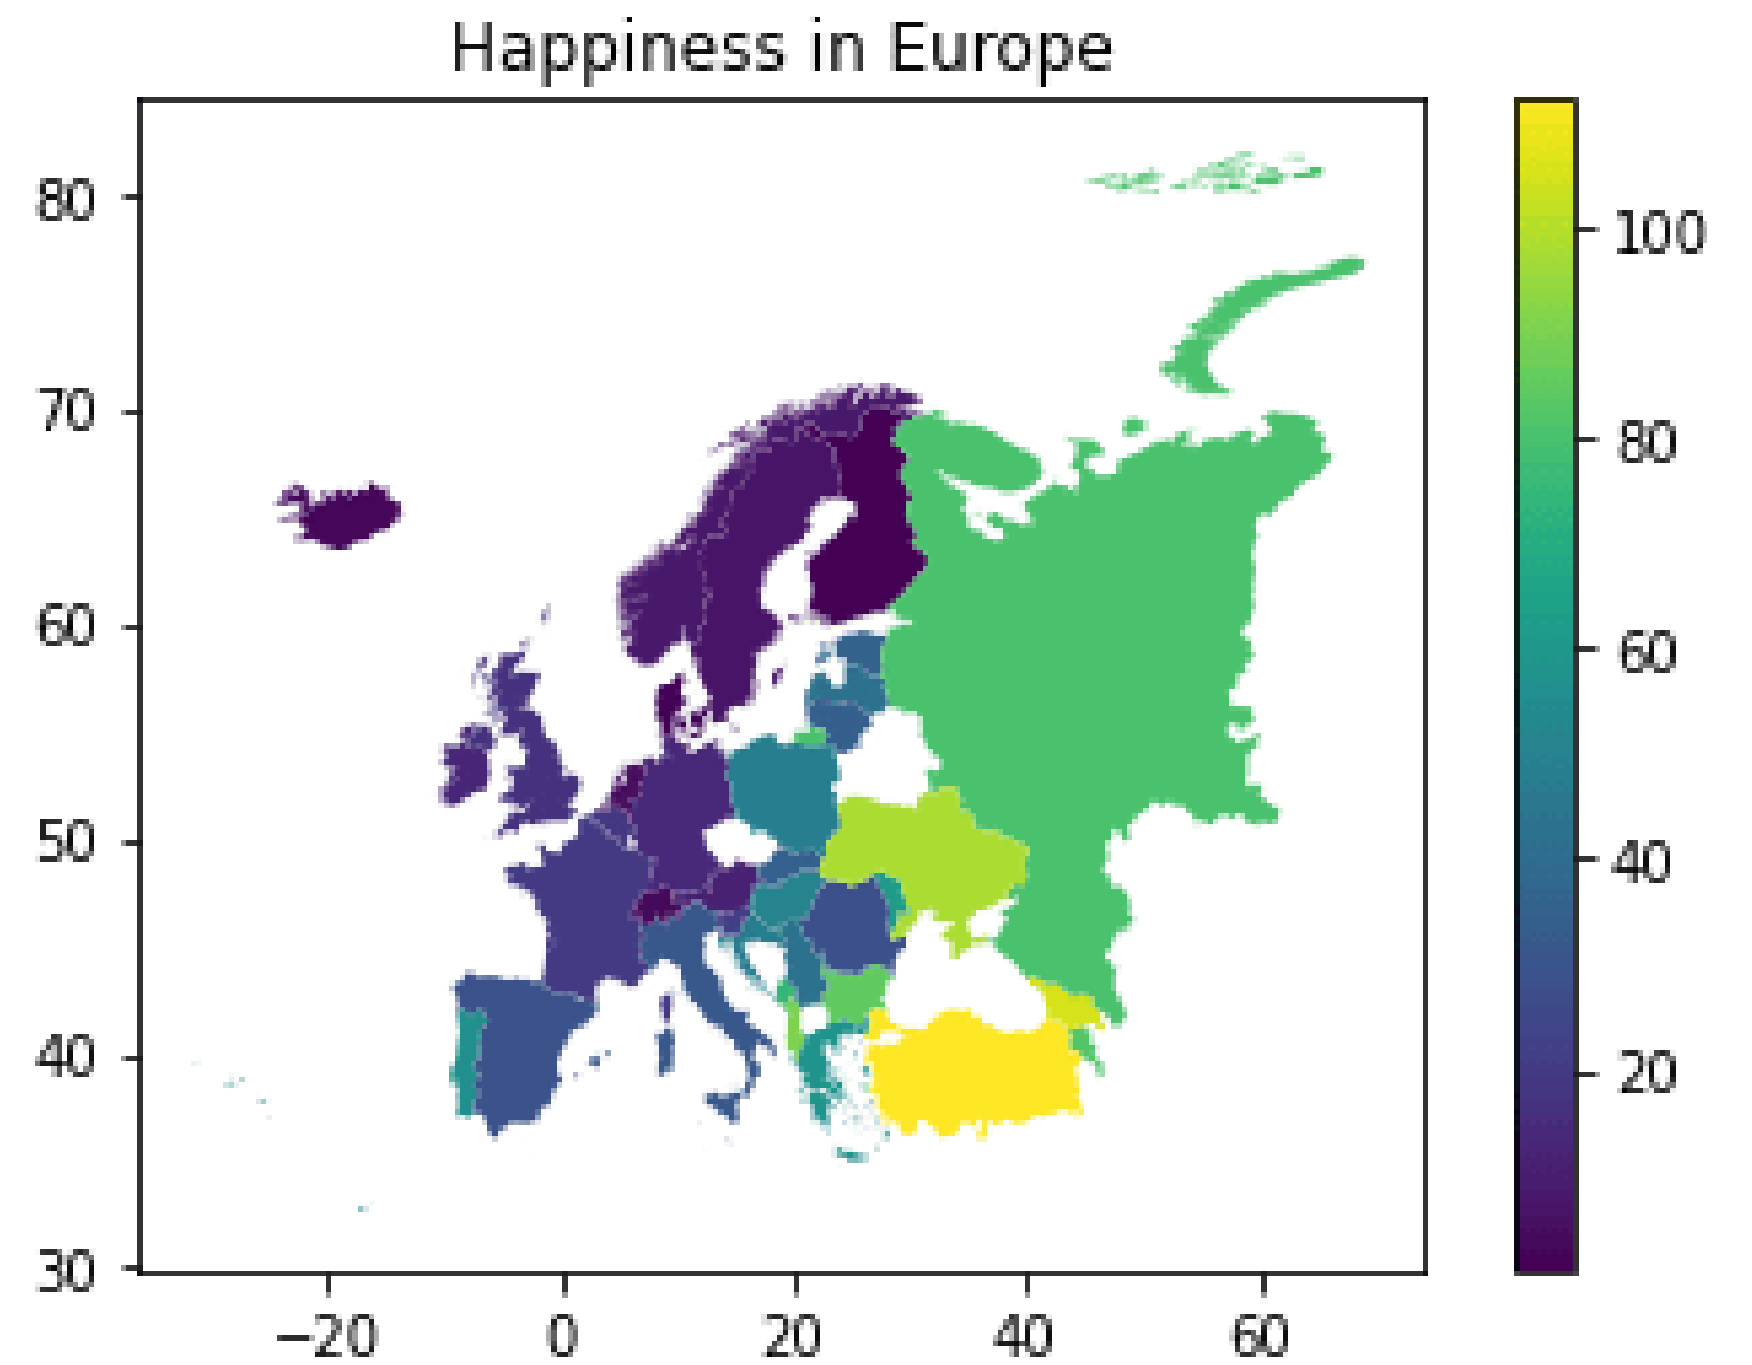

GRAFICOS

Top 5 and Bottom 5 countries in Happiness index 2022

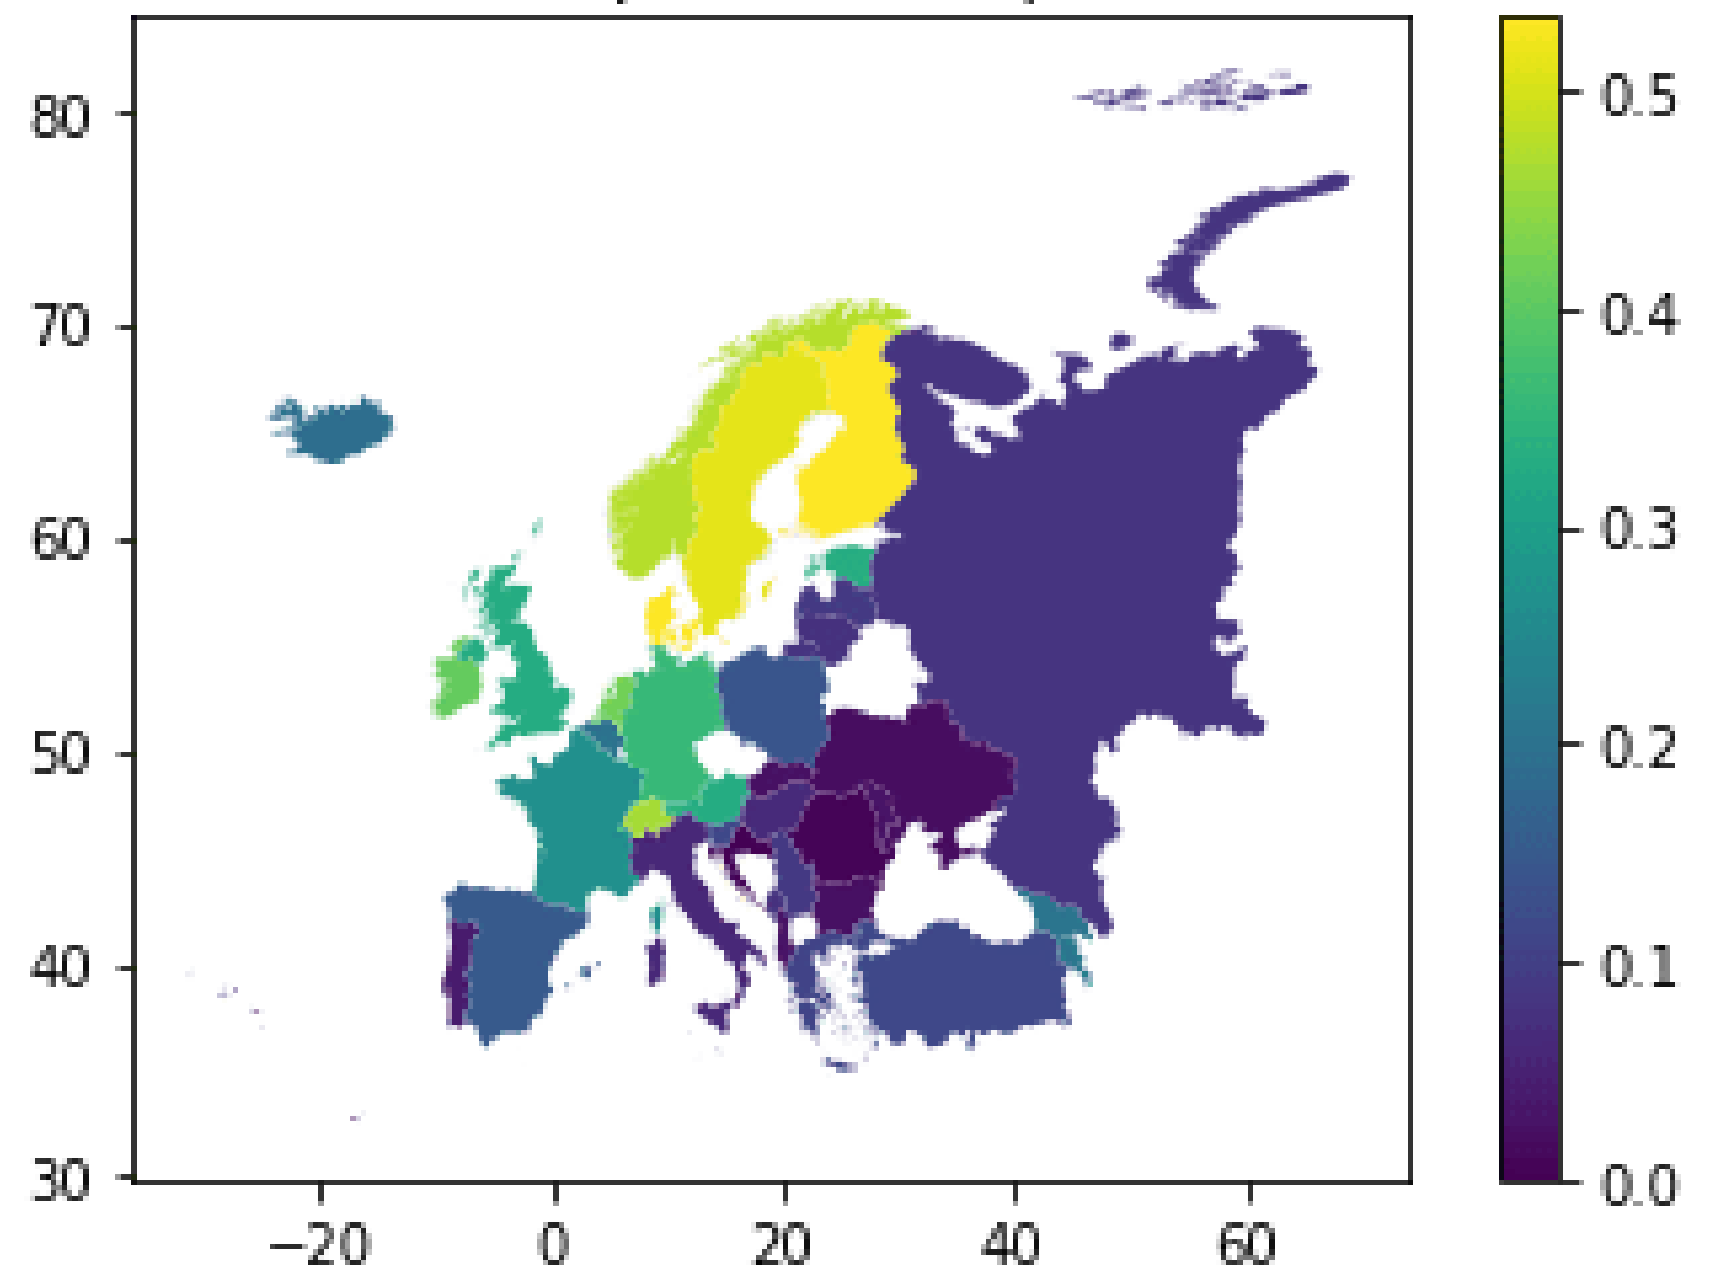

An abstract graphic featuring three overlapping circles of varying sizes. The circles are rendered in two shades of blue: a medium blue and a lighter, teal-like blue. The largest circle is in the bottom left, the medium circle is in the top right, and the smallest circle is in the top center. The circles overlap in a way that creates a sense of depth and movement.
